

FARM FRESH RAW GOAT MILK

SUPPLEMENTAL PRODUCT FOR ALL DOGS AND CATS AT ALL STAGES OF LIFE

Our “Boss Dog” Kelby has always been a bit of a picky eater, and struggled to get sufficient nutritional intake. We wanted to create a product that would support overall health and taste great! At Boss Dog®, we believe that offering your pet certain raw food products provides them with the foundation for a diet that resembles one akin to the wild. Our farm fresh raw goat milk is sourced from free-range goats, that are raised to ethical standards, and are free from antibiotics administered or added hormones. By adding Boss Dog® Raw goat milk to your pet’s diet, they will be gaining needed moisture as well as the benefits derived from raw nutrients, and our proprietary organic spice blend.
