All Natural Premium Dog Chews

NOTHIN' TO HIDE® - COLLAGEN BASED CHEWS

Our collagen-based chews are made from naturally derived collagen. This innovation offers a highly digestible option to other chews. Collagen-based chews offer healthy benefits to our pet's skin, coat, joints and muscles. Our recipes offer an assortment of flavors and sizes best suited for our pet's chewing needs.

HIMALAYAN YAK CHEESE

Himalayan Yak Cheese Chews are dense, tasty treats made with all-natural, limited ingredients. Yak cheese is a healthy, long-lasting, easily digestible snack packed with protein and deliciousness to keep dogs satisfied for hours. Its hard texture helps support clean teeth, healthy gums and strong jaw muscles during chewtime.

NATURAL BEEF CHEWS

Our beef bones and cow ears are hearty, durable chews that will give dogs hours of chewing satisfaction. Made from grass-fed, free range beef, they are 100% all natural, low in fat, high in protein and grain free.

NATURAL PORK CHEWS

Our smoked pig ears have a deliciously meaty flavor that dogs find irresistible. Pig ears are highly digestible, making them a healthy alternative to other chews. Baked to perfection for maximum flavor, they are 100% all natural, high protein, hearty chews.

NATURAL BUFFALO HORNS

Our buffalo horns are highly palatable and easily digestible chews for all life stages. Made from free-range, grass-fed Water Buffalo, these horns are naturally high in protein and low in fat. They are an excellent source of essential nutrients including calcium and phosphorous with NO chemicals, additives or preservatives.

BULLY STICKS

Our oven baked bully sticks are a great low-fat, highly digestible chewing solution for our furry companions. Made from grass-fed, free range beef, they are 100% all natural, gluten and grain free. Due to our stringent processing protocols, our low-odor bully sticks offer a highly digestible chewing option that is sure to provide maximum enjoyment for pets. Our bully sticks are hand selected for size consistency, naturally cleaned and roasted in their own juices for maximum flavor.
