# Ethical Products inc

ESTABLISHED IN 1952

Ethical Products, Inc. is focused on providing quality products for pets, including dog and cat toys, dishes, waste management products and other dog and cat accessories.

Throughout the years, Ethical Products has won prestigious new product awards at the Global Pet Exposition show. Our brands have been cited as leaders in the annual survey conducted by Pet Age magazine.

We continue to provide pet owners and their pets with the absolute best consumer value and customer service in the pet industry while never losing sight of quality, innovation, safety, honesty and humanity.

## GLOBAL SOURCING

We've expanded our sourcing to find the most cost-efficient places globally. As demand grows for better and more innovative products and services, we continue to seek out additional manufacturing capabilities from all over the world. We are constantly searching for new, low-cost, high quality sources in development of our product lines. Our products are proudly made in China, Thailand, India, Pakistan, Vietnam, Brazil and Mexico.
