

Poof!

Blue Cloud[®] Chinchilla Dust Bath

- All-natural - 100% Blue Cloud Dust with no additives
- Safely mimics the volcanic ash found in a chinchilla's native environment
- Promotes mental and physical wellbeing
- Encourages natural grooming behavior
- Easily recycled in gardens, plants, or lawns

Environmentally Friendly

The sustainable collection process for Blue Cloud dust involves no strip mining, explosives, or tunneling. A layer of the dust is left at the harvest location, promoting revegetation of natural plant life. Recycle Blue Cloud dust as a soil additive in gardens or lawns.

Naturally Better

In their native arid environment, chinchillas keep themselves clean by rolling in volcanic ash. Water can become trapped within a chinchilla's fur and can lead to numerous health issues. Oxbow's Poof! Blue Cloud dust absorbs excess oil, dirt and moisture then falls away for a safe, natural clean.
