EAT HAY

Your customers wouldn't eat the same meal for breakfast, lunch and dinner, would they? Why should their pets? Help owners discover their pets' favorite combination of tastes and textures with the aid of Oxbow's new Hay Variety Guides. Mixing and matching Oxbow's variety of hays adds the "spice" of variety and enrichment to a pet's diet.

Hay Variety Guide Western Timothy

Sweet	1	2	●	4	5	Hearty
Oxbow Hay Variety Guide						
Soft	1	2	●	4	5	Crunchy
