

TIMOTHY HAY

Timothy Hay

Timothy hay is the most popular choice of hay for small animals. It is high in fiber, which is essential to small animals' digestive health. It is also more coarse than other hay and helps to wear down small animals constantly growing teeth.

Timothy hay is ideal for guinea pigs, chinchillas, and adult rabbits.

Round Lake Farm

Round Lake Farm is a third-generation family-owned business. We grow it on our farm in Soap Lake, WA, home to the best hay production in the world. We package it at our facility in Kent, WA.
