Spunky pup

Spunky Pup is dedicated to producing high-quality, innovative and fun toys & treats directed at the pet-specialty market.

Our toys are high-quality, durable, innovative, and fun! We offer a broad range of options including Glow-in-the-Dark, Tough, USA-made, Eco-friendly Recyclable toys, Interactive, Launching and Flying, and Plush.

Our all-natural biscuit treats are made in the USA using limited ingredients, no artificial flavors or preservatives, and no added salt or sugar. We even have Ice Cream Bars for dogs!

Our line of enrichment feeding options is where our toys and treats combine. We have products in multiple categories from treat dispensers, to lick mats and slow feeders, to our brand new interactive elevated feeder.

Our goal is to continue to expand our product offerings to meet the needs of our retail partners, consumers ... and of course, Spunky Pups everywhere!
